## St Peter and St Paul's Gift Aid - 2011

Recently we received from the Inland Revenue a cheque for £2394.50 in respect of offerings made through Gift Aid for our church. This covered the period from January to April 2010 the next claim will be made very soon.

Our Gift Aid scheme will continue as before with the Parish receiving tax back on all monies given to the Church by those who have signed up and are putting their offerings in the envelopes provided. If you have not already signed up for the Gift Aid scheme please consider this it is so easy and brings in much needed revenue for our Church.

The Gift Aid form is simple to complete and all it requires is that you state that you want the Church to be able to claim, from the government, the tax on any donations you ever make. This declaration lasts all your life, although you can cancel it (in writing) at any time if you choose. You will then be given envelopes with a number and not your name, and your donation is recorded each week against that number. There is complete confidentiality and all paperwork for the Gift Aid scheme is kept in a locked cabinet. We must, of course, be able to tell the Inland Revenue each year exactly how much has been given - there can be no doubt about the total. Along with the weekly envelopes we will also include envelopes for Christmas, Easter and Second Collections - it does not matter how little or how large your contribution. It is also possible to make a "one-off" donation - the Church is entitled to claim for all monies given. Please note that there is no demand upon you to give extra - as always, only give what you can afford.

We will receive 28 pence from the government for every £1 you give so a Gift Aid form increases the value of your offering enormously and costs you nothing; If you are a tax payer (and this is not just income tax) will you please consider signing up for this scheme?

There is no need :  
to state what you will donate  
to state how regularly you give  
to fill in lengthy forms  
to renew annually

And you can opt out at any time you wish.

There will be forms at the back of the Church or for any other information please see Brida or contact her on 01382 826870

## CATHOLIC EDUCATION WEEK

*“What God wants most of all for each one of you is that you should become holy. He loves you much more than you could ever imagine, and he wants the very best for you. And by far the best thing for you is to grow in holiness.”* **Pope Benedict XVI**

**“Think of all the love that your heart was made to receive and all the love it is meant to give. After all, we were made for love.”**

*Pope Benedict XVI*

The Holy Father spoke these significant words at the Big Assembly in Twickenham where 4,000 children and young people had gathered from every Diocese in England, Scotland and Wales. Many thousands more 'connected' to the Assembly through the Internet.

What struck all those listening and watching was the obvious sincerity of the Pope as he spoke from his heart to all those who were listening to him. He taught his 'pupils' a simple but important lesson - how to be close to Jesus, how to follow his ways, how to grow in holiness and how to follow a path toward sainthood.

For every Catholic school participating, these words struck a chord because that is precisely their mission: to help their pupils on their journeys towards excellence, success and happiness. The Holy Father described this as “not being content with second best”.

The main purpose of Catholic schools is to help young people realise what is meant by wanting “the very best” in their lives. We know that this is not about money, or fame; it's not even about having lots of friends and exciting experiences; it's about developing our relationship with God who created us in love, who calls us to love him and to show this same love to others.

The Holy Father described this as “the bigger picture” which Catholic schools help young people pupils to see - the connections between what they are learning about the world and how they are developing in faith.

During this Catholic Education Week, young people, teachers, parents, clergy and parishioners are asked to reflect on the various lessons which Pope Benedict XVI taught during his visit to the UK. In particular, each Catholic community should consider how it can respond to his teaching with the confidence of faith.

The ANNUAL MASS FOR ALL WHO WORK IN CATHOLIC SCHOOLS [teachers and other staff] here in St Peter and St Paul's on Tuesday at 7.00p.m. Bishop Logan hopes to be present at this Mass and will present the Papal Honour '**Pro Ecclesia et Pontifice**' to Mr George Haggarty for services to Catholic Education in Scotland, especially in our Diocese.
