MARY'S MEAL'S BACKPACK PROJECT.

Once again we invite you to take part in the Back Pack Project.

The Backpack Project appeals to schools, clubs, businesses, churches and individuals to fill backpacks with basic educational materials to send to children receiving Mary's Meals. Most of the children who benefit from Mary's Meals and the Backpack Project have suffered war, poverty, famine, or natural disaster. Very often families cannot afford to buy basic things like pencils and copy books, or even suitable clothes for their children to wear to school. And so their children miss out on school and an education. A simple backpack with educational materials can be a lifeline to these children as studies show that an education is the best way a chronically poor child can escape poverty in later life,

Reflection for 21st Sunday Ordinary Time **(Sunday 25th August 2013)**

In a family so much love is lavished on the newborn first child and you hear them saying - that's the end of freedom now for a good few years. Or the grandchildren come and there's the babysitting. Life deepens and narrows. It is the narrow gate of love, the wide world of generosity. Jesus says elsewhere that love is the door to eternal life, laying down life for a friend; the cross was a narrow door.

Real Love

Real love means little things a lot of the time, and with God it means time now and then to prayer and to worship, as well as loving the neighbour.

Love may narrow our lives, and also deepens it. We can find a lot of variety in life today but not enough depth. We can look for wide doors which lead to narrow gardens, unlike the narrow door of Jesus which leads to an eternal garden.

Love demands a lot as well as gives a lot. With the people we most love we are most vulnerable and they can bring the worst and the best out of us.

World of Love

The sick child, the elderly in the family, the children in prison or in a lousy marriage. The husband or wife needing a lot of care in illness or old age. The love shown by volunteers in our country and the developing world. The grandchild who is isolated and lonely and you worry. This is the world of love, the only world worth sacrificing anything for.

The condition for entering is not where you come from, whether you are first or last, whether you wear the right clothes or even turn up on time - the condition is that in the way of living God you hear the word of God daily and live by it faithfully
