There is a real feeling of family in SSPP with many parents, grandparents and even great grandparents being past pupils and we would like to celebrate this special occasion with you all.

The Knights of St. Columba will be seeking new members in this Parish soon. They are an Order of Catholic laymen who are dedicated to serve the clergy and the Church and at the same time to improve the life of those less fortunate. We hope that some of you will be courageous enough to join the local group of Knights in Dundee, to increase the life of the community and provide your priest with support when needed. More information is available on the Knights of St. Columba website <http://www.ksc.org.uk/>

The proposed new Council in Dundee is looking for members from parishes within Dundee and surrounding towns and villages. The Knights wish to become active in many parishes in this Diocese, and so wish to increase membership of the local group of Knights in Dundee. By belonging to the Knights you will maximise your contribution to the parish community, and at the same time enjoy the fraternity of others who are like minded in their aims.

Please consider attending our Recruitment Drive on Sunday 10th February at 11:00a.m. Mass in St Peter & Paul's.

Some of our members will be outside the Church before Mass next Sunday to hand out publicity leaflets and we ask you to read these. If you are interested to know more we shall be available after that Mass to discuss any points you may have and will invite you to become a member.

Catholic Education Week

3rd to 9th February 2013

The Scottish Catholic Education Service has provided materials for schools and parishes to help them to demonstrate how they can open the hearts and minds of young people to God. Young people will explore parts of the Nicene Creed in some depth to extend their understanding of how it both a *personal* and a *communal* declaration of faith. Teachers are encouraged to work in partnership with parishes and to plan for an appropriate occasion - at Mass or a liturgical service - when young people can profess the Nicene Creed, as the culmination of all their learning about the Creed.

The purpose of Catholic Education Week is to highlight the significance of education, not only for young people but for society as a whole. Students, parents, teachers and others are asked to reflect on their own roles in the education process - at home, in Our school, in the local parish and in other educational settings.

St Peter and Paul's School will celebrate Mass to mark this special week on Wednesday 6th February, at 9.30 a.m.

A Catholic school is a community of love and hope. It provides young people with a Catholic education which perceives life as a faith journey. The ultimate aim of a Catholic school is to develop the full potential of all young people, leading to their life-long activities being guided by the Spirit and presence of Christ, in the service of God and of others.

Catholic education is distinctive in placing all learning and teaching in a Catholic moral context and in both challenging and supporting young people to develop in mind, body and spirit. The role of a Catholic school is to help everyone in the school community to discover the true value and dignity of each and every human being who, loved by God, has a mission on earth and a destiny which is eternal.

The Catholic school is an open community, concerned with the education of the whole person. It presents a unique, clear vision of God, people and life, centred on Gospel values and reflective of the teaching of the Catholic Church. Hence, the formation of each person is regarded as being as important as the information which is transmitted through the teaching, offered.

The Catholic school is supported in its mission by the active partnership of the home, the school and the parish. Together, they provide support for the faith community, helping to form and develop in all a mature Christian conscience, in addressing the increasingly secular influences of popular culture.
