Shining the Light of Faith

A Message from the Bishops of Scotland

Lumen Fidei: the Light of Faith: this is how the Church speaks of the great gift of faith brought by Jesus. In John's Gospel, Jesus says of himself: "I have come as light into the world, so that whoever believes in me may not remain in darkness."

Pope Francis teaches us that if you believe in God, then the Light of Faith will lighten up the whole world and help you to find your way through life.

The gift of faith is not offered to us as something which belongs to another world. It helps us to see today's world and to live our present lives in a different way, a better way.

If you have faith in Jesus Christ, you will be transformed by the love He shows you and you will want to share this love. You will want to offer that same love to others - to friends, family, neighbours, even to people you don't know.

"Shining the light of faith" doesn't only happen inside a Church. People can become shining lights when they help others, when they treat people fairly, when they support those most in need. In practical, concrete ways we can all bring light to the world.

How will you shine the light of faith today, and in the coming days and weeks?

To mark Catholic Education Week, Bishop Stephen will celebrate Mass in the Church on Wednesday at 9.30 a.m., with the staff and pupils of our school

“Faith is not a light which scatters all our darkness, but a lamp which guides our steps in the night and suffices for the journey.”

Lumen Fidei

I have come as light into the world, that whoever believes in me may not remain in darkness"

John 12:46

Faith Awards for Young People

Pope Francis Faith Award

Pope Francis has consistently emphasised how Faith in Jesus Christ - should be the driving force in the lives of Christians. Inspired by the teaching of Pope Francis in his first encyclical 'Lumen Fidei' and established in the Church's Year of Faith, the **Pope Francis FAITH AWARD** will encourage young people to make and sustain an active commitment to Faith in their everyday lives.

Its title stresses the most significant feature of this award - i.e. it's about Faith, one the 'theological virtues' of Faith, Hope and Love which are offered to all as the foundation for living good lives.

The Faith Award will help children in Primary 6 & 7 to realise the meaning and potential of the Gifts and the Fruits of the Holy Spirit which are offered to them for use in daily living. By providing opportunities for Prayer, Reflection and Faith Witness, this award will encourage young people to apply these gifts and to see how they can bear fruit in their homes, schools, parishes and communities. It will help them to understand how their simple, everyday acts of service, inspired by Faith, can transform the world.

The Caritas Award

Those who believe, see; they see with a light that illumines their entire journey, for it comes from the risen Christ, the morning star which never sets.

Pope Francis, Lumen Fidei

The Pope Benedict XVI **CARITAS AWARD** encourages young people in the final years of secondary school to respond to God's call of love ("Caritas") through serving others. It celebrates the faith witness which young people can give within their homes, schools, parishes and local communities.

Inspired by the teaching of Pope Benedict XVI, and dedicated to him, the **CARITAS AWARD** is an initiative which builds on his conviction that "the young, with their enthusiasm and idealism can offer new hope to the world". Those who are presented with their awards at the Award Ceremony on Saturday 31st May 2014 will be able to take pride that they have responded well to the words of the Holy Father:

"Do not be afraid to make a commitment, to face hard work and sacrifice, to choose the paths that demand fidelity and constancy, humility and dedication."

Find new ways to spread the Word of God to every corner of the world.
